This plan is an educational tool to help highlight required pre-requisites and course sequencing. Submission of this plan and acceptance into the concurrent major does NOT ensure that courses will be available or completed in the manner that is listed on the plan. Additionally, course scheduling conflicts may arise. Scheduling courses each semester is on a space available basis. Therefore, successful completion of a concurrent major within any timeframe cannot be guaranteed. If you need to complete degree requirements for both majors within a traditional 4 year window, you may need to consider other options, which may include a sequential degree, or a minor.
