

**Postdoc Relocation Support  
IST\_FN-18 Administrative Guidelines**

**College of Information Sciences and Technology (IST) Supplemental Policy to HR 104**

**Relocation Expenses Recommendation:**

**For Postdoctoral Scholars:**

Typically, postdoctoral scholars are not offered relocation expenses as part of their hiring package. However, if the individual is relocating from outside the Centre Region (>50 miles), the dean may authorize relocation expenses consistent with guidance for faculty and staff captured in HR 104 and paid out in a taxable lump sum to the postdoctoral scholar.
